American owned and operated and managed by a retired Air Force Colonel B3 Enterprises, LLC has expanded from a small local General Construction Company into offering expanded services across the United States. We pride ourselves on being a small local builder with national reach. B3 employees are deeply rooted in the communities where we build and live.

Our portfolio features projects of all sizes and levels of complexity — from intricate interior renovations to some of the most complex garage repairs; we can build it all — and we do. Our top management strives to be the best and pushes B3 to meet our clients' needs every time, on every front.

But, more than our extensive references, what truly set B3 apart from our competition is our people. The B3 employees have a dedication to providing and improving service to our clients. They strive to deliver exceptional work, capacity for innovation. Their proactive approaches help with problem solving, and they have an unwavering commitment to improve the communities we serve. This dedication helps make B3 a great place to work.
